

## Proposed Membership Fees for 2022

The membership fees proposed for 2022 are based on the principles of the Sustainability Plan approved at the 2017 General Assembly:

- The countries are assembled in 10 different groups depending on their 2020 GNI;
- All 2022 membership fees are adjusted in line with the inflation rate (+1.5%);
- In addition, for active members based in Luxembourg, Switzerland, Norway, Ireland, Iceland, Austria, Denmark, Netherlands, Germany, Sweden, Belgium, Finland, France, UK and Italy, the membership fees are raised to reach the membership fee level that was announced in the Sustainability Plan for the year 2022;
- Finally, for all active members, the fee (incl. inflation) is adjusted based on the number of music-related students in the institution as follows:

Category 1: More than 700 students	Category 2: 200 - 700 students	Category 3: Less than 200 students
---------------------------------------	-----------------------------------	---------------------------------------

A raise of 25% is applied for institutions in Category 1 and a decrease of 25% for institutions in Category 3. For institutions in Category 2, the fee is not further adjusted.

Therefore, Council proposes the new membership fee levels set out in the table below, which reflect the principles of the Sustainability Plan to be adopted from 2022 onwards.

Please note that, as in previous years, a discount of 5% will be applied to the figures listed in the table below when the payment to AEC is made before 01/04/2022.

In addition, since 2019, institutions that are both members of AEC and ELIA can apply for a 10% discount on their membership fees with both AEC and ELIA. The discount is available only upon request and will not be automatically included in the annual membership invoices.
