Erasmus Strategic Partnership HarMA+

Thursday 4th November from 11:30 to 13:30 CET - In presence

Pre-Conference Workshop with HarMA+ project founder Salvatore Gioveni and Edwin Clapuyt, from the Conservatoire royal de Bruxelles (Belgium)

Presentation of HarMA+ project (European landscape of teaching practices and pedagogical innovation in HMEI's - music theory fields)

This project created by Salvatore Gioveni (Conservatoire royal de Bruxelles) answers the need to develop collaborative tools, share knowledge and transfer pedagogical innovation in the very specific field of music theory in higher music education institutions throughout Europe by working towards a pedagogical rapprochement. These courses are often the object of pedagogical reflections but there's a lack of a centralised source and framework to support this reflection by means of cross-disciplinary study at European and international level. A certain pedagogical adaptability must lead teachers to reopen their pedagogical perspective and to teach their students using other methodologies or at least share them.

As a partnership we aim to develop in this project several outputs and activities to reach results in line with the project's objectives. We plan to particularly work on innovation in the area of music theory by:

- Develop an online exchange platform on music theory (IO1)
- Develop a dynamic EU bibliography (IO2)
- Develop a catalogue of new methodologies and practices descriptions (IO3)
- Develop a Multi Language terminology dictionary in music theory (IO4)
- Organise 1 training for staff and 1 intensive programme for students
- Organise 1 dissemination conference and 1 final conference

Besides Conservatoire royal de Bruxelles as leader of the project and managing the IO1, the following partner institutions are involved: AEC (Dissemination and Evaluation), Akademia Muzyczna im. Stanisława Moniuszki w Gdansku (IO2), LISZT FERENC ZENEMUVESZETI EGYETEM, Budapest (IO3), Eesti Muusika- ja Teatriakadeemia, HOCHSCHULE FÜR MUSIK UND THEATER FELIX MENDELSSOHN BARTHOLDY LEIPZIG (IO4).
