

# Bridging Live & Digital:

Towards an augmented arts experience

Kristof Timmerman  
Dr. Ine Vanoeveren

## SENSE OF WONDER:

a feeling of awakening or awe triggered by an expansion of one's awareness of what is possible or by confrontation with the vastness of space and time, as brought on by reading science fiction.

*Prucher, Jeff (ed.). Brave New Words. The Oxford Dictionary of Science Fiction (Oxford University Press, 2007)*
