- Social tradition
- Availability of many pianos in the territory.
- Interpretative practices before 20th century still intact.
- Unique local aesthetic.

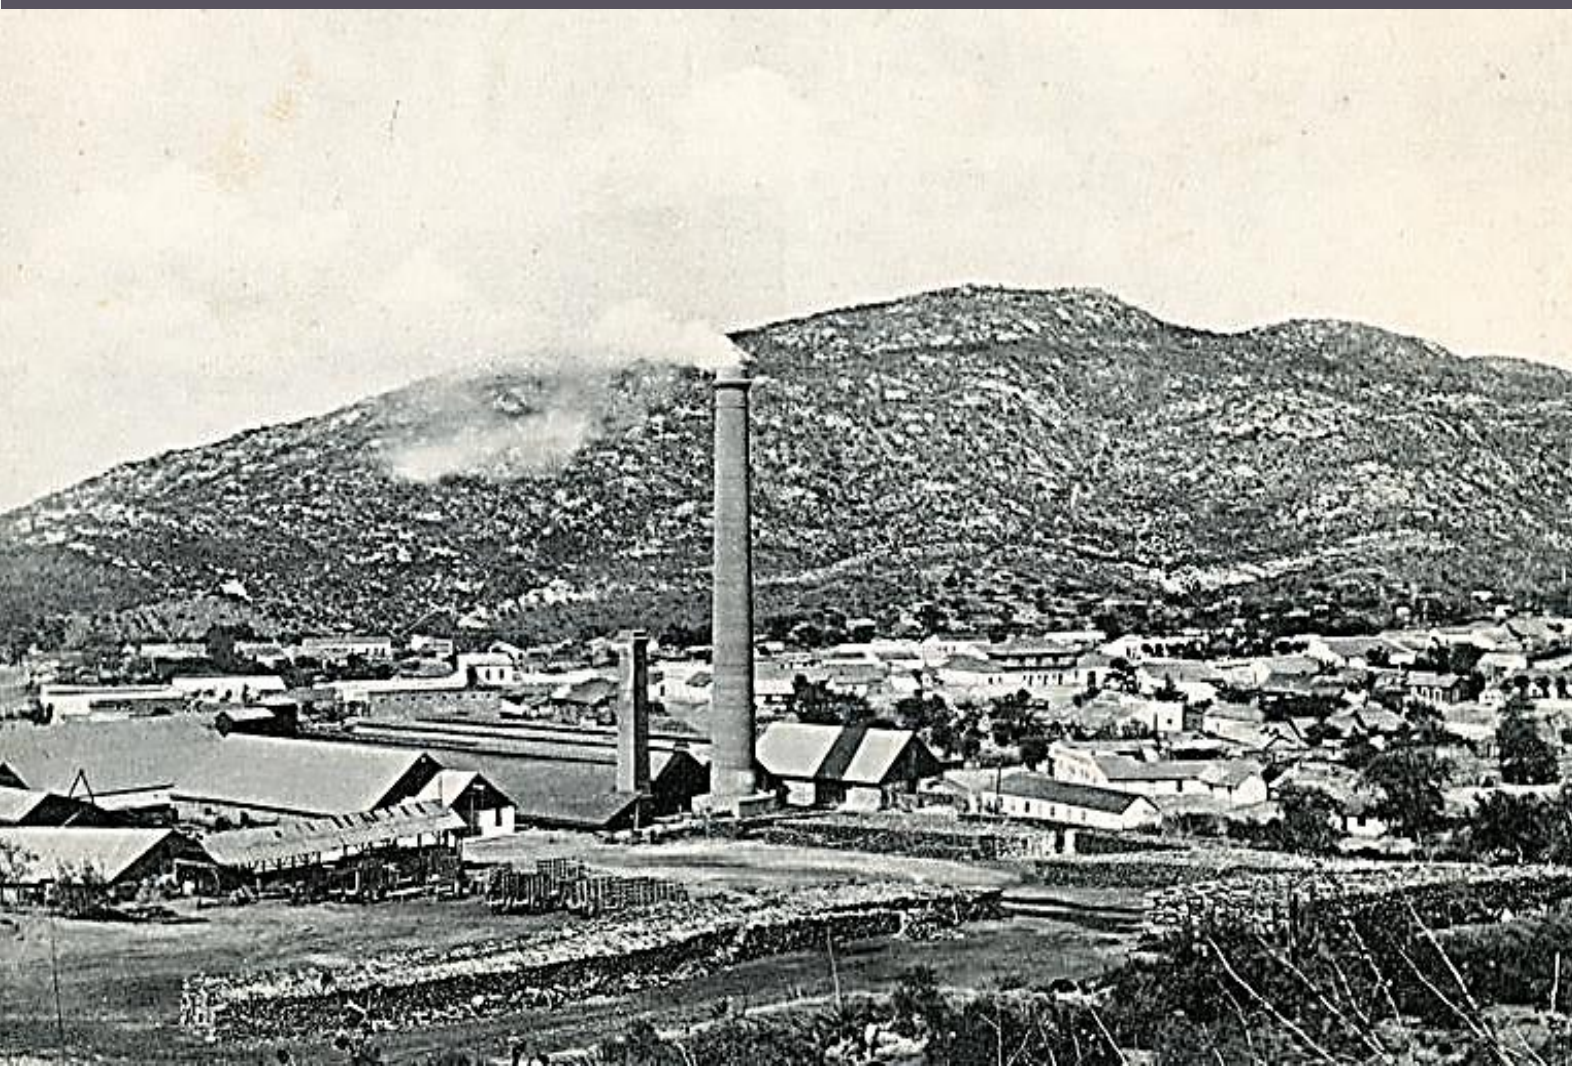

Endemic Performance

Southcalifornian Identity:

Lack of Stereotypes.

Music in models of mining company towns

Against: “drunkenness,
gambling, and prostitution”

TRADITION IN PIANO TEACHING

Mainly transmitted
generation to generation:

- Between family members.
- From teacher to students.

Endemic elements found

Three attacks

Título de la presentación

Music has opened its borders and has rediscovered and embraced its origins without forgetting that it is now in a new place: the 21st century.

Unknown pianist and listeners
Pablo L Martínez State Archive

- She arrived home and the piano wasn't there.

- I was locked up, let me tell you because my husband

-Nicolás, where is my piano?

-I exchanged it for seven cows.

- And then she swore she would close the piano...

-Marriage: the art's tomb
