# War Realities Odesa 2022

- Martial Law – lockdown at night
- Danger of airstrikes and invasion from Sea
- Air strike alerts and bomb-shelters in the basements
- IDP from frontline cities and villages
- Retaining students and staff and providing them with safe conditions
- No work and high and increasing cost of living (food etc)
- Winter is coming

# 2022 in ONMA

- Intake in ONMA in 2022
  - Current situation – air strike alerts, bomb-shelters in the basements,
  - Hybrid – lectures online, individual lessons – in person
  - International students – only online
- Winter with no heating
  - Psychological issues for students and staff
  - Lack of opportunities for performances
  - No income and high inflation and cost of living

# How to assist
