

Friday 22nd September in Leuven

15:00 – 17:30

Networking Activity

After the group picture we will walk from our campus to the Great Beguinage. There, carillon playing will welcome us and then we will walk past some highlights of our city led by experienced guides. The Great Beguinage, the university library, the city hall, and the history of Leuven and its breweries are on the programme. We conclude at 'Leuven's longest bar', the Old Market with its historic pubs, where before tasting a Belgian beer, we will have an impeccable singing moment.
