

Too much student agency?

Eirik Sørbo

Associate Professor (PhD)

eirik.sorbo@uia.no

University of Agder

CreaTeME

No fixed semester plan

Initial assignment: make music "as usual»

Defining common content

Defining individual content (with peer mentoring)

What worked well

Raised consciousness of skills
Good discussions on fundamental skills

What worked well

Raised consciousness of skills

Good discussions on fundamental skills

Assessment method

Challenges

Finding common content

Peer mentoring

‘

We don't want too much influence (...), it becomes a bit of a playground. It ends up being a bit unserious at times, that we maybe spend our time the wrong way ,

Personal reflections

Increased student agency is an ethical matter
Dialogue
