

## Proposed Membership Fees for 2024

The membership fees proposed for 2024 are based on the principles of the AEC Sustainability Plan, approved at the 2017 General Assembly, after four years of implementation (2019-2022):

- The countries are assembled in 10 different groups depending on their 2022 GNI;
- All 2024 membership fees are adjusted in line with the inflation rate (+1.5%);
- Finally, for all Active members, the fee (incl. inflation) is adjusted based on the number of music-related students in the institution as follows:

Category 1: More than 700 students	Category 2: 200 – 700 students	Category 3: Less than 200 students
---------------------------------------	-----------------------------------	---------------------------------------

A raise of 25% is applied for institutions in Category 1, and a decrease of 25% for institutions in Category 3. For institutions in Category 2, the fee is not further adjusted.

**Therefore, the AEC Council proposes the new membership fee levels set out in the table below, to be adopted from 2024 onwards.**

*Please note that, as in previous years, a discount of 5% will be applied to the figures listed in the table below when the payment to AEC is made before 01/04/2024 ('early bird').*

*In addition, since 2019, institutions that are both members of AEC and ELIA can apply for a 10% discount on their membership fees with both AEC and ELIA. The discount is available only upon request and will not be automatically included in the annual membership invoices. (\*) The countries whose 2022 GNI has strongly increased or decreased in comparison with their 2021 GNI have been moved to a higher or lower category respectively for the 2024 membership fee calculations.

(\*\*) Institutions from Ukraine and Moldova benefit from a free membership until 2025, included. In 2022, the AEC Council granted free membership to these institutions in order to strengthen cross-border collaboration and help staff and students from Ukraine and neighboring countries out of the European Union during the Russian invasion.
