

AEC Pop and Jazz Platform 2025 (Pamplona, Spain)

Call for Workshops

The AEC Pop and Jazz Preparatory Working Groups is looking for contributions to the PJP 2025 in the form of proposals for practical workshops e.g. under the following topics:

- The impact of language on musical expression, teaching and learning
- Language and choice of repertoire
- Questions concerning tradition vs. innovation
- Pedagogical strategies for nurturing traditional and indigenous music forms
- Music and identity
- The evolving role(s) of the teacher in Higher Music Education
- Ways and styles of learning in music
- Teaching and learning methods
- Instrument- and/or genre-specific issues
- Improvisation

The above list is exemplary, but connected to the themes of the Meeting.

When applying for workshops, please provide a **clear description of the activities that will take place during the session**, including details about the interactive components. **The workshops should be interactional** – at least to some extent.

Proposals from students are also highly welcome, so please forward the call to your master's students!

Each workshop will **be max. 60 min. in duration**, and include at least **15 min. of Q&A**. Please time your session beforehand! There will be several workshops running in parallel, so you do not have to address the whole community at once. Note that there will be dozens of participants in each workshop, so every single attendee may not be involved in the activities in a hands-on manner.

Your proposal for a workshop should contain max. **300 words**. Please attach a short biography of yourself in the proposal. The proposal should be sent by **25 October** by email to PJP WG Coordinator Beatriz Laborda, beatrizlaborda@aec-music.eu. The results will be communicated to the applicants by **8 November 2024**.

N.B: Selected applicants will be required to register as participants and therefore pay the corresponding fee according to the price category (Representative of an AEC member institution/Representative of a non-AEC member institution)

We are very much looking forward to seeing you all in Pamplona next February!
