

## Proposed Membership Fees for 2025

The proposed membership fees for 2025 are based on the principles of the AEC Sustainability Plan, approved at the 2017 General Assembly and implemented over a four-year period (2019-2022). Additionally, the following elements are considered in determining the new membership fee levels:

- Countries are assembled in 10 different groups depending on their 2023 GNI.
- All 2025 membership fees are adjusted in line with an inflation rate of +2.5%.
- Finally, for all Active members, the fee (including inflation) is adjusted according to the number of music-related students in the institution, as follows:

Category 1: More than 700 students	Category 2: 200 – 700 students	Category 3: Less than 200 students
---------------------------------------	-----------------------------------	---------------------------------------

A raise of 25% is applied for institutions in Category 1, and a decrease of 25% for institutions in Category 3. For institutions in Category 2, the fee is not further adjusted.

**Therefore, the AEC Council proposes the new membership fee levels set out in the table below, to be adopted for 2025.**

*Please note that, as in previous years, a discount of 5% will be applied to the figures listed in the table below when the payment to AEC is made before 01/04/2025 ('early bird').*

*In addition, since 2019, institutions that are both members of AEC and ELIA can apply for a 10% discount on their membership fees with both AEC and ELIA. The discount is available only upon request and will not be automatically included in the annual membership invoices.
