**GETTING TO TALLINN**

**Arriving by air**

[Lennart Meri Tallinn Airport](#) is located just 4 km from the city centre. You can easily travel to and from the airport by bus or taxi.

The main **public transport** options connecting Tallinn Airport with the city centre are **buses 2 and 15** that run frequently. The buses depart from the airport's lowest level (stop Lennujaam), accessible via the escalator from the arrivals hall – simply follow the signs. Be sure to confirm the direction by checking the route information at the stop or on the electronic display.

The closest bus stop to EAMT and the official EPARM hotels is “Vabaduse väljak” (Freedom square) for bus no 2 and "Estonia" next to Solaris shopping centre for bus no 15.

**Taxi** stand is located in front of the arrivals hall. The fare from the airport to the city centre is approximately 15€. However, rates are not standardised and vary by company or operator. Each taxi's rates are displayed on a yellow sticker on the car's right rear window, typically consisting of a base fare (starting fare) plus a per-kilometre fare. Before starting your journey, ensure the rate is acceptable and, if possible, ask the driver for an estimated fare.

**Arriving by ferry (Connections from Helsinki and Stockholm)**

The [Port of Tallinn](#), connecting Tallinn with Helsinki and Stockholm is located within walking distance – just 15-20 minutes from the Old Town.

For public transport, the **Old City Harbour Tram Line 2** stops in front of Terminal A at stop “**Vanasadam**”. **Buses 20 and 20A** connect Terminal D to the city centre, with stops located directly in front of the terminal

Taxis are readily available next to the passenger terminal buildings. The fare from the port terminals to the city centre is approximately 7€–10€.

**Arriving by bus (Connections from Riga)**

The **Tallinn Central Bus Station** is conveniently located between the airport and the city centre, about 2 km from the Old Town. You can easily get to the centre by public transport. **Buses no. 67 and 23** connect the station to the city centre. The stop (**Bussijaam**) is located behind the departure platforms, on **Juhkentali Street**. The stops closest to the EAMT and the official EPARM

hotels are “Estonia” and “Vabaduse väljak”. Taxis are also available outside the bus station for added convenience.

Please use Google Maps or another app to find the best route and schedule to your hotel or the Academy from your point of arrival. As an additional transport option, Bolt app operates efficiently in Estonia and is a cost-effective alternative to traditional taxis.
