

Conservatorium Maastricht, very international in its composition and mindset, is a close-knit community. We believe in collectivity, in the will to challenge each other and excel ourselves. To add value, in and with music.

We enable and inspire students and lecturers to develop by learning, teaching, creating and performing. We prepare our students for a career in music beyond borders and believe in lifelong learning.

Conservatorium Maastricht is an international conservatory which connect the local to the national and international. Students and lecturers of Conservatorium Maastricht are innovators and offer a valuable contribution to the international world of music and to society, either as performers/creators, teachers, researchers and/or entrepreneurs. Our educational programme is based on links across disciplines as well as with the music industry, other art disciplines, educational and cultural organizations and businesses.

With effect from September 1st 2022 we are looking for a:
