

RENEW TEACHER TRAINING PROGRAMME

24th-28th September 2018 - Royal Conservatoire The Hague

Preparation (Pre-conference homework for participants)

All participants will be requested to prepare and submit a short introduction of themselves based on the following questions (Through registration):

1. please describe your role in your home institution
2. what forms of teaching entrepreneurship are already installed in your institution
3. what needs to be developed in teaching entrepreneurship in your institution

The participants' answers to these questions will help the RENEW Working Group preparing the teacher training event divide the program into three (interwoven) strands:

- A strand for program managers/staff members responsible for curriculum design
- A strand for teachers with tasks in entrepreneurship courses
- A strand for all other participants

***Important note:** This activity will take place at the same time and in the same venue as the last RENEW Student bootcamp (different rooms). Both activities will be organized in parallel with different programmes but with some joint sessions.

Monday 24 September

Morning

- Welcome session - getting to know each other (a joint warm-up activity together with the students participating in the student bootcamp).
- Grouping the participants of the Teacher Training program based on experience
 - Inventory of 'learning needs' participants.
 - Presentation / summary of the four RENEW bootcamps so far and their outcomes
 - Presentation of the 'sweet spot' dilemma.

Afternoon

- The so called 'soft skills' in teaching entrepreneurship (reflection, awareness of artistic identity, feed-back/evaluation models, coaching and mentoring skills)

Tuesday 25 September

Morning

- Joint warm-up session together with the RENEW bootcamp students.
- Collaborative aspect of teaching entrepreneurship. Exploring different work forms.
- Communicative aspects of teaching entrepreneurship. Exploring different work forms.

Afternoon

- The digital portfolio as tool in teaching entrepreneurship.
- Using digital platforms for portfolio development.

Wednesday 26 September

Morning

- Joint warm-up session together with the RENEW bootcamp students.
- Exploring different methods of project management and entrepreneurial strategies:
 - Rock in the pond/little why and big why - The Prince 2 method
 - Design thinking
 - The business canvas

Afternoon

- Session on hard skills: an inventory of components that can constitute an entrepreneurship course:
 - Project brief and business case
 - Marketing skills/online marketing
 - Publicity/branding
 - Presenting and pitching
 - Budgeting and financing
 - Risk analysis and controlling
 - Legal perspective

Thursday 27 September

Morning

- Joint warm-up session together with the RENEW bootcamp students.
- Curriculum design: participants will be requested to draft a curriculum for different forms of teaching entrepreneurship:
 - boot camps/intensive projects
 - joint modules / programs designed for collaborating with another institution
 - the regular format of a series of lessons/seminars

Participants should keep in mind different levels of students(bachelors/master/post-graduates):and think about:

- practice based research/evaluation
- how to embed such a curriculum in your institution?
- finding your own resources
- defining external partners

Afternoon

- Participants will attend the presentation of student projects of the Renew bootcamp.
- Further developing of draft curriculum designs

Friday 28 September

Morning

- Presenting the draft curriculum designs to a feed-back panel that consists of students (alumni from previous renew bootcamps)

Afternoon

- The participants will join the RENEW final conference and present the work developed during the week. The evaluation of RENEW teacher training program is part of event programme.
