### Important notice

The suggested hotels are all in close proximity of the Norwegian Academy of Music. However, there are neither pre-reservations made in those hotels for the AEC and CEMPE Learning and Teaching platform participants nor special prices arranged for our conference. Participants are kindly asked to contact hotels by themselves on the hotel websites or booking web sites. We would recommend these hotels/pensions, all situated within walking distance from the academy (served by a tramline as well):

Hotel Thon Gyldenløve (10 min. walk)
