"Will-Test for music students"

Vorarlberg State Conservatoire

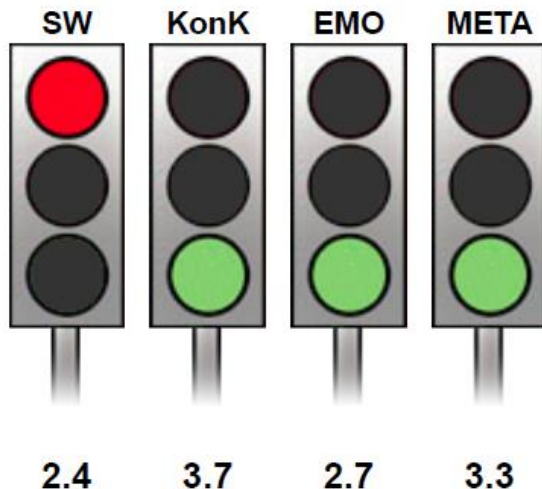

Will-Test for music students

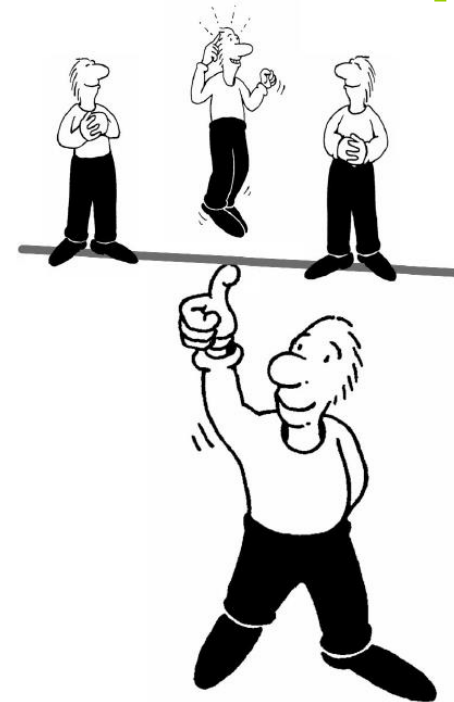

- practice makes the instrument not only fun
- Goal setting vs. Goal striving
- individual will (volition) as a crucial psychological factor

- Online-Test (for free):
Characteristic of the individual's own will of music students
- Approaches to optimize their individual will-configuration

Will as helmsman of **cognitions,** **emotions and** **self-concept**
