

Evolutionary **Leadership**

Danilo Simoni

Leadership is about generation
of **Value** and **Abundance**.

**ORGANIZATIONS EVOLVE
WHEN
LEADERS EVOLVE
AS HUMAN BEINGS**

Don't just
work
on your skills,
invest
in your settings
and intelligences.

**BIOENERGETIC
INTELLIGENCES**

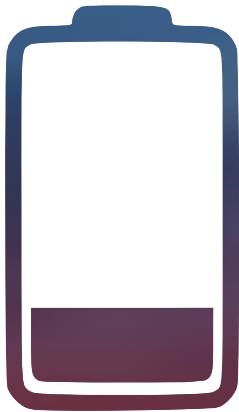

Every single action we take is the expression of the **energy** our **state** is able to channel into our **intelligences**.

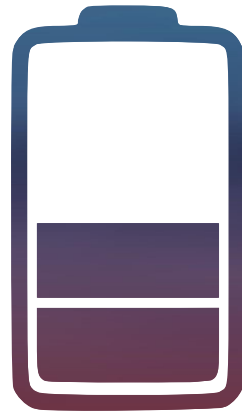

Intelligence activation enables the process of **learning new skills**, or **using skills we already have**, that couldn't be expressed with poor levels of energy.
