

# **Sustainable Mobility**

Annual Meeting for International Relations Coordinators - Prague  
Sunday 22nd September 2019

Hanneleen Pihlak and Christofer Fredriksson

# Finding a sustainable future for mobility

- How do we create good conditions for being able to work sustainably on issues related to internationalization?
- How can internationalization contribute to sustainable development?
- What are the challenges and how should we work?

What is the role of the IRCs in promoting sustainable mobility?

How do your institution cope with the need to shift towards a more sustainable transportation system?

How do your institution relate to a rising nationalist and protectionist sentiments?
