Developing diversity and identities
amongst artists and audiences

MISSION

Berklee's mission is to educate, train, and develop students to excel in music as a career.

We believe that the lessons and qualities derived from that work—the self-discipline needed for excellence, the empathy required of music making and the openness and curiosity essential to creativity—are critical to achievement in any pursuit, musical or otherwise. We also believe that music is a powerful catalyst for the kind of personal growth central to any collegiate experience.

Office for Diversity and Inclusion

The Office for Diversity and Inclusion was established to provide support for Berklee's diverse community. Our responsibility is to integrate the variety of cultural values and perspectives into what we do at all levels, through policy development, resources and education, and sponsorship of initiatives for staff, faculty, and students. These strategies are designed to nurture a spirit of respect for, openness to, and awareness of the spectrum of values and backgrounds that enrich our environment.

VISION 2015

Berklee will be the world's leading institute of contemporary music.

Attracting diverse and talented students passionate about careers in music, we will offer a relevant and distinctive curriculum in music and liberal arts.

We will engage an unparalleled faculty of inspiring educators and cutting-edge industry professionals, provide state-of-the-art facilities for learning and living, and produce tomorrow's leaders of the global music community.

INTERNATIONAL CAREER CENTER

Craft Your Career Plan

Planning one's career is essential towards a successful professional outcome. The ICC works side to side with the students to help develop attainable goals throughout the year on campus.

Sharpen Your Professional Skills

The ICC provides workshops featuring the tools and skills needed to improve the students' professional profile, both online and offline. During their time at Berklee, our main objective is to equip them with a confident grasp on self management.

Meet the Industry

Throughout the year students will be exposed to numerous opportunities within the industry, both on and off campus. The ICC helps to maximize those encounters towards strengthening their professional network.
